

TED

TED is a global community, welcoming people from every discipline and culture who seek a deeper understanding of the world. We believe passionately in the power of ideas to change attitudes, lives and, ultimately, the world. On TED.com, we're building a clearinghouse of free knowledge from the world's most inspired thinkers — and a community of curious souls to engage with ideas and each other, both online and at TED and TEDx events around the world, all year long.

TEDx

TEDx brings the spirit of TED's mission of ideas worth spreading to local communities around the globe. TEDx events are organized by curious individuals who seek to discover ideas and spark conversations in their own community. TEDx events include live speakers and recorded TED Talks, and are organized independently under a free license granted by TED.

TEDxSriSairamEngineeringCollege

TEDxSriSairamEngineeringCollege is a premier annual event that showcases the remarkable innovation, creativity, and inspiration found within the region and beyond. Our aim is to foster game-changing ideas that inspire people to implement real changes in society. The TED Conference provides general guidance for the TEDx program, but individual TEDx events, including ours, are self-organized.

INVITE

We invite you to the eighth edition of TEDxSrisairamEngineeringCollege: Plan Proceed Proclaim.

This year's theme reflects on the importance of inculcating the action words “Plan, Proceed Proclaim” in your road map to success as they are not just milestones in the path but basic success instincts.

The revamped process of success followed by its immediate glory in our era has stumped people from reflecting on its depth, however when you sail through the process at a microscopic pace we can see its three fragments coming together - the plan, the process and finally the proclamation.

This year, our speakers will bring you the significance of planning, proceeding and proclaiming in the execution of these revolutionary ideas. For this is where the real journey begins!

It gives us immense pleasure to invite your honored presence to grace the occasion of the eighth edition of **TEDxSriSairamEngineeringCollege** on the theme

PLAN.PROCEED.PROCLAIM.

On the 12th of October,2019.

Sigma Auditorium
Sri Sai Ram Engineering College,
